Comprehensive Cable and Connectivity Products Now Available From Ingram Micro!

Comprehensive Cable and Connectivity Products will now be available from the world's largest technology distributor, Ingram Micro.

Ingram has chosen Comprehensive's legendary connectivity products including the largest selection of True Professional Grade HDMI Cables, VGA Cables, Plenum Cables, DisplayPort Cables, Splitters, Switchers and more , to be offered to their 190,000 resellers.

Scott Schaefer, President of Comprehensive, remarked, "We are very excited to bring Comprehensive's legendary Pro AV connectivity solutions to the vast Ingram Micro reseller channel. Our goal is to make it as convenient as possible for resellers to purchase the high quality, high value, professional connectivity products Comprehensive is famous for. With many resellers purchasing from Ingram regularly, we believe this will be a natural fit."

Comprehensive products can now be delivered from Ingram in one business day to many areas and within 2 business days to the majority of the U.S.A.

About Comprehensive Cable and Connectivity Company:

Since 1974, Comprehensive has been the leading brand of Pro AV connectivity solutions for professionals. Over 37 years and millions of satisfied customers later, Comprehensive remains the industry standard for value, reliability and performance. That's why Pro AV and I.T. professionals around the world have trusted Comprehensive to provide the backbone of their multi-million dollar computer networks, digital signage systems, interactive boardrooms, broadcast studios, multimedia classrooms, event stages and other critical applications.

About Ingram Micro:

Ingram Micro, Inc. a Fortune 100 Company is the world's largest technology distributor and a leading technology sales, marketing and logistics company for the I.T. industry worldwide. Ingram has 105 distribution centers across the world and supports global operations through an extensive sales and distribution network throughout North America, Europe, the Middle East, Africa(EMEA), Latin American and Asia-Pacific.
