**Comprehensive Connectivity Signs Distribution Agreement with
Ingram Micro Latin America**

FAIRFIELD, NJ (May 4, 2015) – [Comprehensive Connectivity Company](http://www.comprehensiveco.com) is pleased to announce it has signed a partnership agreement with Ingram Micro Latin America to distribute Comprehensive's wide range of professional grade solutions including 4K UHD Pro AV/IT HDMI & Cat6 Cables, HDBaseT Extenders, Switchers, Splitters, Connectivity Kits, Plates and Panels and much more.

Comprehensive President Scott Schaefer remarked "Based on our strong success with Ingram Micro in the U.S, we are excited to be expanding our partnership with Ingram and making Comprehensive professional connectivity solutions available to the Latin American market."

Comprehensive products will be shipping through Ingram to the Latin American market in early Q2. The timing of the expanded partnership will allow Comprehensive products to be available to the Latin American market during the busy spring and summer installation seasons.

Latin American Resellers should contact Ingram Micro's Miami office for more information on Comprehensive products and services contact the Sales Department at 305-593-5900 or visit the site at Mi.ingrammicro.com or visit the Comprehensive Connectivity website at www.comprehensiveco.com.

About Comprehensive Connectivity
