Comprehensive Introduces New ACTIVE Pro AV/IT USB Extender Cables in PVC & Plenum with lengths up to 75ft.

Comprehensive recently introduced a complete line of Active USB Cables which allows the extension of a USB signal up to 75ft. Comprehensive Pro AV/IT Active USB cables are professional grade, heavy duty construction for commercial and B2B applications. Active circuitry and specially formulated construction solve the problem of long distance USB signal transmission.

Available in multiple lengths and configurations, Pro AV/IT Active USB cables are perfect for any application requiring the extension of USB signals. Both PVC and Plenum jackets are available and as always, Comprehensive's Lifetime Warranty comes standard.

Features Summary
