Comprehensive Cable & Connectivity and Anixter Wire & Cable sign Distribution Agreement.

Fairfield NJ: Comprehensive Cable and Connectivity Company is pleased to announce it has signed a distribution agreement with Anixter Wire & Cable to distribute Comprehensive professional connectivity solutions including cable assemblies, bulk wire, switchers, extenders, adapters, plates, panels and more.

“Anixter is a well respected solutions based global distributor with the expertise and experience customers the world over have come to rely on. That’s why we strongly believe Comprehensive’s forty years of professional connectivity experience and unique B2B solutions will be the perfect compliment to Anixter’s products and services and be yet another great reason for customers to rely on Anixter. We are very excited to be working with them.” said Comprehensive President Scott Schaefer.

About Comprehensive:

Since 1974, Comprehensive Cable & Connectivity Company has manufactured and provided professional B2B connectivity products for the Pro AV/IT markets. Comprehensive specializes in HDMI, Cat5/6, HDBaseT, DisplayPort, USB, Fiber, Custom plates and panels and many other professional and broadcast connectivity solutions. Comprehensive’s headquarters are in Fairfield NJ.

About Anixter:

Anixter was founded in 1957 with headquarters in Glenview, Illinois, USA. Anixter is a leading global supplier of communications and security products, electrical and electronic wire and cable, fasteners and other small components. Throughout the world, Anixter provides innovative supply chain management solutions to reduce customers' total cost of production and implementation.
